

LAMILUX SUNSATI[®]

INNOVATIVE FIBERGLASS SOLUTIONS

PRODUCT DESCRIPTION

The world innovation LAMILUX SUNSATI[®] is the long-awaited revolution in the field of fibre-reinforced composites and redefines the standard for outdoor applications. The 20-fold higher UV stability compared to standard GRP expands the horizon in terms of image, appearance, maintenance and value. Whether for recreational vehicles or trucks, even after many years in the sun, LAMILUX SUNSATI[®] looks like new and enables maximum value retention.
